PAOLI, Pa. (May 16th, 2019) – Whenever you get the itch to modify a stock vehicle, selecting the first five modifications can either be the easiest decision or the hardest one you will ever make. AmericanMuscle’s Adam Maqboul recently produced this video, selecting his favorite [top five mods for 2009-2014 Dodge Challengers](#), putting them to good use! From performance enhancements to [Challenger lighting](#), Adam covers all the bases to personalize your Challenger into a one-of-a-kind machine.

“My first five mods for the Challenger were pretty easy to pick, and I know everyone’s list may differ. Ultimately, we all want to personalize our rides, so I think this list covers all the right ingredients.”—Adam Maqboul
