**PAOLI, Pa. (August 27<sup>th</sup>, 2019)** – One of the fastest ways to enhance the appearance and handling of your Dodge Challenger is to upgrade your wheels with a new set from AmericanMuscle (AM). [Challenger wheels](#) are one of the most popular categories on AM's site, next to [Challenger Exhaust](#). To help potential customers make an informed purchasing decision, the team at AM have put together their definitive guide to Challenger wheels.

Included in AM's Challenger wheel tech guide is everything from a table of contents, to a dictionary, charts, and even a bulleted how-to list giving Challenger owners all the information they need before and after the purchase. Grab your set of [Hellcat Wheels](#) from AM and get ready to transform your base Challenger into a devilish feline without the inflated insurance premiums.
