PALO ALTO, CA ([PRWEB](#)) January 20, 2005 -- RVShark, the world's most-trusted online RV park guide, awarded its fifth Tennessee fin to the Twin Creek RV Resort. RVShark gives fins to RV parks that are positively reviewed by RVers on [www.rvshark.com](http://www.rvshark.com).

A recent guest of the Twin Creek RV Resort praised the park's full hookup sites with 50 amp service, very clean restrooms, and trolley service to all the local attractions. The RVer added that each site is paved, and has a large deck. The Twin Creek RV Resort is located in Gatlinburg, on the northern border of the Great Smoky Mountains National Park.

Other finned parks in RVShark's Tennessee section include the Ballyhoo Family Campground in Crossville, the Big Meadow Family Campground in Townsend, the Crazy Horse Campground & RV Resort in Gatlinburg, and the Over-Niter RV Park in Athens.

RVShark awards fins to RV parks that are reviewed, on the whole, positively by RVers. A fin appears as a small, gray icon to the left of an RV park's name within a given state index. The fin system gives RVers a quick way to find well-liked RV parks within a given state.

Neither RVShark nor its parent SharkPage is affiliated with any of the aforementioned RV parks.
