Palo Alto, CA ([PRWEB](#)) January 26, 2005 -- RVShark, the world's most-trusted online RV park guide, awarded its first Washington State fin to the Spokane RV Resort. RVShark gives fins to RV parks that are positively reviewed by RVers [www.rvshark.com](http://www.rvshark.com).

A recent guest of the Spokane RV Resort called it "the best kept secret for RV parks," praising its "huge spaces," "great restaurant," and "no road noise." The guest further characterized the property as "the best park in the area." The Spokane RV Resort is located in Deer Park, 20 miles north of Spokane.

Other properties covered in RVShark's Washington section include the Sprague Lake Resort, located in the eastern half of the state.

RVShark awards fins to RV parks that are reviewed, on the whole, positively by RVers. A fin appears as a small, gray icon to the left of an RV park's name within a given state index. The fin system gives RVers a quick way to find well-liked RV parks within a given state.

Neither RVShark nor its parent SharkPage is affiliated with any of the aforementioned RV parks.
