

RVShark.com Sells Multi-Million Dollar RV Park in Twenty-Five Days

A multi-million dollar Florida RV park has sold for its asking price within one month of being listed for sale on RVShark.com. RV parks may be listed for sale on RVShark.com by visiting rvshark.com/replace.htm.

PALO ALTO, CA ([PRWEB](#)) May 24, 2005 -- A multi-million dollar Florida RV park has sold for its asking price within one month of being listed for sale on RVShark.com. The seller credits the ad he bought on RVShark.com with getting the property sold.

Says the seller, "After receiving numerous Letters of Intent, we got one for full-price, and just signed a contract." The seller asked to remain unidentified while the property closes escrow.

The seller advises parties listing RV parks for sale on RVShark.com to have a package of information ready to share with potential buyers. As he notes, "ours was not fancy, but very informative."

RVShark.com's RV parks for sale section can be accessed through the RVShark.com homepage, at www.rvshark.com. RV parks may be listed for sale on RVShark.com by visiting the <http://www.rvshark.com/replace.htm> Internet address. RV park brokers can list links to their websites on RVShark.com by visiting <http://www.rvshark.com/list.htm>.
