The Semi Truck Accident Victims Center says, "We can't begin to emphasize enough, how important it is to call us first, in the event of a passenger vehicle involved in a semi truck, big rig, or commercial truck accident. It is imperative to preserve evidence, and witnesses, and you need a national caliber personal injury legal team working on your behalf." They say, "Because the trucking companies have such good attorneys, they are betting the accident victim will wait days, or weeks before contacting an attorney. More often than not, rather than knowing who to call-the victims, or their loved ones go to the Internet, or the Yellow Pages." The group says, "We say-call us-we already have a first class national legal team in place, we are fast, and our team knows what to do for innocent victims of a passenger vehicle involving a semi truck, or a big rig."
