

Platinum Warranty Corporation Offers A-D Auto Finance and Refinance, for Consumers and Franchise Dealers

“Lending focus offers - Approved customers, Strong advances, Flexibility for consumer to buy many different vehicles and no discount charged to dealers.

CLEVELAND, OH ([PRWEB](http://www.prweb.com)) May 16, 2004 -- Platinum Warranty Corp., a trend-setter in automotive insurance and financing products, has introduced automotive financing, which provides consumers and dealers with the ability to finance or refinance their auto loan needs regardless of past credit woes. “We are proud to be involved in the automotive community, offering a webbased solution that gives instant answers on over 60% of applications” said Anthony J. Hodel, Platinum Warranty’s chief executive officer.

Hodel said that the program could save dealers money on high discount lenders typically seen in the sub-prime market. “The real value here is customers get a great rate and a great automobile” Hodel states.

“The criteria is simple”

“Gross income \$1,800 individual \$2,000 joint applicants

“Minimum Fico score 510

“No open bankruptcies, any previous bankruptcies must be discharged

“Applicant must be at least 18 years old

“Minimum previous credit of \$2,500

About Platinum Warranty Corp.

Platinum Warranty Corp., established in 1985, offers insurance companies, car dealerships, banks and credit unions the opportunity to increase traffic and sales volume through the marketing of financial and insurance services, such as financing, extended warranties, legal services plans, gap insurance, emergency roadside assistance and other related products.
