To thank truck drivers for their dedication to moving America's freight, 123Loadboard and Thunder Funding give over \$1,200,000 in loadboard subscriptions and free first-time factoring services to carriers.

Houston, TX ([PRWEB](#)) September 13, 2017 -- In honor of National Truck Driver Appreciation Week 2017, 123Loadboard is handing out 2,000 load board annual subscriptions and its factoring partner Thunder Funding is waiving all fees to fund and factor the first load for new accounts for a total combined giveaway of over \$1,200,000.

“In recognition of the dedicated men and women who travel the highways daily and make sacrifices to deliver the freight that keeps America moving, we did not want to miss this opportunity to thank them with over \$1,200,000 in load board memberships,” said Loarn Metzen, V.P. at 123Loadboard.

Finding loads on 123Loadboard and having the ability to factor them through their factoring partner, Thunder Funding, is a key partnership that help streamline the process for the truck driver who needs to find and fund the delivery of their loads.

“Professional Truck Drivers who work to keep the freight moving in this industry deserve to know how much we depend on them and appreciate their labor and efforts, which is why we are willing to waive the factoring fee for first time accounts,” says John Downing, President at Thunder Funding.

Both 123Loadboard and Thunder Funding recognize that truck driving is essential for moving goods across the nation and want to throw their support behind the truck driver and reward them for undertaking one of North America’s most difficult and demanding occupations.
