

Propark America announces plans for double-decker shuttle bus.

Hartford, Connecticut based parking company plans on utilizing an authentic British double-decker bus for special events.

Cambridge, MA ([PRWEB](#)) June 26, 2004 -- Propark America has announced plans to unveil an authentic, double-decker bus, shuttle service at the Charles Square Garage.

“Many parking facilities employ shuttle buses to provide transportation for parkers, but Propark does things a little differently,” says Joe Coppola, Propark America managing partner. “The elegant ambience of Harvard Square helped shape our vision of having our parkers travel in style.”

Propark is no stranger to fresh innovations. The company is renowned for providing unique parker amenities to the business. The “Books on Wheels” lending library, the auto club styled “Friendly Assistance” program and “Garage Giveaway” contests have earned high praise from consumers and have forced other parking management companies to implement new strategies in order to compete.

“Creative amenities and unsurpassed service keep us at the front of the pack,” acknowledges Patrick Boeshans, the Vice-president of Marketing. “If our rate schedule, and location is comparable to the competition, then service and creativity will always distinguish us from them.”

The double-decker shuttle will make scheduled loops through Harvard Square, enabling guests of the Charles Square Hotel as well as parkers at the Charles Square Garage to enjoy the excellent dining, shopping, sightseeing and entertainment that the square offers.
