

TI Automotive Gets New Air Conditioning Lines Business

TI Automotive Ltd. has been awarded a contract to supply air conditioning lines and accumulators for future Chrysler Group vehicles.

WARREN, MI ([PRWEB](#)) September 25, 2004 -- TI Automotive Ltd. has been awarded a contract to supply air conditioning lines and accumulators for future Chrysler Group vehicles.

The company will provide the components from one of its seven plants in Reynosa, Mexico.

The air conditioning lines are fabricated using aluminum tubing and new end connections designed for low permeation.

TI Automotive is the world's leading supplier of fluid storage, transfer and delivery systems including brake, fuel and air conditioning applications. Based in Warren, Michigan, the company employs over 20,000 people at more than 130 facilities in 29 countries on six continents. Further information about TI Automotive is available on the company's website at www.tiautomotive.com.
