LAKEWOOD, OH ([PRWEB](#)) July 14, 2004 -- If you like hot rods, street rods, custom cars, retro fashion and music, you can't miss the 2nd Annual Madison Village Car Kulture Show on Saturday, August 21, 2004 (Raindate: Saturday, August 28, 2004). The show will take place in Madison Village, between Lewis Dr. and Clarence Dr. on Madison Avenue, in Lakewood, Ohio from 10:00 am to 6:00 pm. Car Show registration (free) will start between 9:30 and 10:00. Balloting will end at 4:30 and Show winners will be announced at approximately 6:00PM with trophies awarded for BEST OF SHOW and THE MAYORS CHOICE. Last year's show had over 200 classic and specialty cars lining the streets and parking lots of Madison Village.

DJs and live bands are scheduled to perform during the day, vendors will be set up along the street, and of course the fantastic restaurants and taverns in the area (check the website listed below for sponsors) will provide fuel for the body. The charity that we will be helping this year is the Hunger Network. The Hunger Network of Greater Cleveland is the largest direct emergency food distribution network in Cuyahoga County. They have 36 hunger centers which distribute a 3-5 day supply of food and 18 hot meal sites that prepare and serve an evening meal at the end of each month. They serve an average of 50,000 people each month. Half of those served are children. Proceeds from our raffle will go to this charity. In the evening, several of the clubs in Madison Village will be hosting live bands. The Winchester at 12112 Madison Avenue, (ph: 216-226-5681) will host the Hot Rod Rumble featuring three authentic traditional rockabilly bands; The Star Devils, Jerry King and the Rivertown Ramblers, and the Wailin' Elroys. Capsule and Manja will also feature live music. Up the minute details can be found online at [www.abombclothing.com](http://www.abombclothing.com).
