

## Save Big On Radar Detectors and Radar Jammers

*#1 Radar Detectors and Jammers Offers Wide Selection, Lowest Prices On Top Rated Automobile And Motorcycle Radar Detector and Radar Jamming Systems*

([PRWEB](#)) July 23, 2004 -- Looking to purchase automobile or motorcycle radar detectors or radar jamming products online? Look no further than #1 Radar Detectors and Jammers (<http://www.get-the-edge.us>) for the lowest prices on all the top rated systems.

Featuring such high quality systems such as the Escort Passport 8500 x50, Bel RX65 Pro Ultimate, and the Valentine One radar detectors, the site strives to provide its customers with only the best detectors on the market, making the decision to purchase an easy one.

"We've taken the guesswork out of the decision process," said a spokesperson for the website. "By offering the top rated products at competitive prices, we save our customers both time and money."

In addition to radar detectors, radar jammers, and laser jammers, the site also offers related products such as the Stealth Veil anti-radar coating system - a type of paint coating for vehicles which passively disables a laser gun from acquiring your speed beyond 750 feet distance from the laser gun.

For more information about radar detectors, radar jammers, laser jammers, or Stealth Veil paint coatings, please visit #1 Radar Detectors and Jammers on the web at [www.get-the-edge.us](http://www.get-the-edge.us).
