

Humboldt Storage and Moving's New Division Caters to Biotech Industry Nationwide

Humboldt Storage and Moving, greater Boston's largest United Van Lines agent located in Canton, Mass. has recently established a new Biotechnology Relocation Division to provide special relocation service to the biotech industry.

CANTON, MA ([PRWEB](#)) August 18, 2004 -- Humboldt Storage and Moving, greater Boston's largest United Van Lines agent located in Canton, Mass. has recently established a new Biotechnology Relocation Division to provide special relocation service to the biotech industry.

With a unique expertise in serving the biotech industry, Humboldt Storage and Moving, a BIO member, has been meeting the needs of biotechnology association members for a number of years. Increased demand for Humboldt biotech relocation services has prompted the formation of the company's new Biotech Relocation Division, which will now provide relocation services to biotechnology companies nationwide. Healthcare, agricultural, industrial and environmental biotech companies, regardless of biotechnology association membership, will benefit from Humboldt's biotech relocation expertise coupled with the advantage of a substantial discount.

Humboldt's biotech relocation services include:

- Maximum discounted pricing of federal tariffs allowed
- Guaranteed pickup and delivery
- Free full-replacement valuation
- Comprehensive employee relocation program
- Laboratory and office moving expertise, including transportation of refrigerated research material and electronic equipment
- Responsive customer service

As a BIO Business Solutions partner, Humboldt has been serving BIO and other biotech association members nationwide for a number of years. Our new biotech division was established to cater to the entire biotech industry and offers state-of-the-art relocation services in a deeply discounted program, noted DArcy Goldman, President of Humboldt Storage and Moving.

To learn more about Humboldt Storage and Moving's Biotech Relocation Division, contact (877) 246-4735 or visit www.humboldt.com.

About BIO

BIO represents more than 1,000 biotechnology companies, academic institutions and state biotechnology related organizations throughout the United States as well as in 33 other nations. For more information about BIO, contact 888-BIO-SAVE (888-246-1728) or visit their website at www.biobusinessolutions.com.

Century-old Moving History

Humboldt Storage and Moving, Greater Boston's largest United Van Lines agent remains within the top 5% of all United Van Lines agents for sales volume. An original stockholding member of United Van Lines,

Humboldt Storage and Moving is managed by the third generation of the Goldman Family. Humboldt has over 90 employees and is a leader in assisting seniors with sensitive down-sizing relocations; coordinating highly technical lab and hospital moves; time-sensitive office relocations; college relocations; and household relocations that are around the block or around the world.

United Van Lines, Inc., headquartered in Missouri, is the world leader in the moving industry of over 500 agents. Nationally recognized, Humboldt Storage and Moving ranks in the top 10 percent of domestic United Van Lines agents.

Dedicated to making relocation as smooth and stress-free as possible, Humboldt offers many specialty services including:

- Oversized custom-designed crate service • Custom crating which is ideal for an antique armoire, valuable painting or grand piano.
- Supplies • Packing and moving supplies, including bubble wrap, furniture pads, recycled boxes and custom designed crates.
- Professional packing • Combining knowledge of the fragility of hundreds of items with tremendous care and the latest packing materials to move items intact anywhere in the world.
- For do-it-yourselfers - For folks on a budget, customers may opt to use Humboldt's van (complete with driver) but pack, load and unload items themselves.
- Highly Technical Laboratory and Hospital moves - Includes transportation of refrigerated research material and electronic equipment.
- Office Relocation Management Services • Comprehensive relocation service offering single source, personalized response.
- Household Relocations • Every move is a "custom" move and through UniGroup Community Profile Center, we ensure our customers know everything about their new hometowns.
- International Relocations • Humboldt is a Registered International Mover (R.I.M.), certified by the American Moving and Storage Association, and provides full service global mobility management.
- Commercial Warehousing • 92,000 secured, easily accessible square feet of storage located on 19 acres.

Humboldt Storage and Moving is located at 100 New Boston Drive, Canton, MA 02021. For more information for free brochures outlining the company's many services, please call (781) 821-8777. For additional information visit www.humboldt.com.
