([PRWEB](#)) February 10, 2005 -- Collision Revision is excited to announce our latest expansion in the Highland Park area. Drew Cheshier, Area Manager met with Al Frisch and Marty Price the owners of Highland Park Lincoln Mercury located at 55 Skokie Valley Road in Highland Park Illinois. After some discussion it was agreed to close down the body shop in hopes of turning the space into service, which has allowed Collision Revision to open a drive in estimating center inside their dealership.

Our newest drive in estimating facility is called Collision Revision of Highland Park South and have been up and running for estimates since late last year. The direct line for highland Park South is 800-773-1011 and the hours are 9:00 a.m. to 5:00 p.m. Monday through Friday for estimates.

All repairs are load leveled to our Collision Revision of Highland location at Rt.41 and Park Avenue. Since then we have also expanded to a night crew to help with the additional volume.
