

## Truckers Endorse Best Discount Benefits

*The Tidewater Leased Operators Association (TLOA) announces their endorsement of Best Discount Benefits (BDB) to provide low cost healthcare benefits solutions for owner operators and contract drivers locally and nationwide.*

Portsmouth, VA ([PRWEB](#)) September 3, 2004 -- The Tidewater Leased Operators Association (TLOA) announces their endorsement of Best Discount Benefits (BDB) to provide low cost healthcare benefits solutions for owner operators and contract drivers locally and nationwide.

"Truckers in America need help cutting health care costs" says Sandra Tyson, President of the TLOA "so we chose Best Discount Benefits to provide affordable alternatives to our Members."

"We are proud of the confidence the TLOA has shown in us and our ability to provide personal service and real value to their Members." states Rod Taverna, CEO of Best Discount Benefits. Taverna continues: "We all have to find ways to save money on healthcare costs. What sets us apart is the scope and variety of bundled plan options we have assembled. This allows us to assist everyone in selecting the best healthcare benefits solution for their individual and family needs."

The Tidewater Leased Operators Association (TLOA) is a 501(c)6 non-profit organization dedicated to improving business conditions for owner operators and contract drivers so that they can reduce losses in the highly competitive trucking industry.
