Montreal, Quebec, Canada, September 20, 2004 Â AgileRacing team, sponsored by Ouala Inc., is proud to announce the registration of its Porsche 993 Cup #101 into the Â Classic FallÂ race in GTO class, which will be held during the week-end of September 25th and 26th, 2004.

([PRWEB](#)) September 23, 2004 -- Montreal, Quebec, Canada, (PRWEB) September 20, 2004 Â AgileRacing team, sponsored by Ouala Inc., is proud to announce the registration of its Porsche 993 Cup #101 into the Â Classic FallÂ race in GTO class, which will be held during the week-end of September 25th and 26th, 2004.

After the great result Â first of the GT2S class Â during the sprint race of the PCA Porsche event at Mosport, Toronto, at the end of July, the team has decided to participate in a regional race in Quebec. Â ItÂs interesting to race against other cars than Porsches and to get to know better the regional driversÂ says Jeff Gailleur, the 993 driver.

Practice sessions will be held on Friday and Saturday, qualifications on the Saturday from 2.10 pm to 2.25 and the race will be on the Sunday 25th of September from 3.25 pm to 3.55. All the information related to the race week-end is available on the Mont-Tremblant circuit web site at <http://lecircuit.com>. Tickets will be available at the gate on the day of the race.

The races will be broadcasted on the RDS channel. The broadcast program is available on <http://www.rds.ca>. "The television broadcast is giving an important visibility to our sponsors." says Helene Gey whoÂs managing the teamÂs promotion.

About AgileRacing

AgileRacing is a car racing team on road tracks. Since the beginning of 2004, the racing car is a factory Porsche race car, 993 Cup 3.8. This historic Porsche 911 car was built in 1994 as a race car by the Weissach Porsche factory in Germany and has been improved every year since then. The result is a proven efficiency and reliability on all road racing tracks. The 3.8 liters flat-six engine delivers around 400 HP. Weighting only 1.050 kg (2,310 pounds) it provides an impressive weight by power ratio of 2.62 kg per HP (5.77 pounds per HP) down from the latest Porsche 996 GT2. The carÂs career started with a podium finish in its first race at Imola, Italy, back in 1994 in the European Porsche Super Cup Series.

The AgileRacingÂs mission is to promote sponsors visibility in the American and Canadian north-East. AgileRacingÂs information is available on <http://AgileRacing.com>.
