([PRWEB](#)) September 26, 2004 -- PaceSetters Corvette Club, Cobb Parkway Chevrolet and MTI Racing will host our annual Corvettes Against Breast Cancer Charity Ride on Saturday, October 2, 2004 from 8:00 A.M. until 3:00 P.M. The caravan will begin with controlled laps on the Atlanta Motor Speedway. Breast Cancer Survivors will ride in selected Corvettes as we caravan from the Atlanta Motor Speedway, (located off U.S. Highway 19 & 41 near Hampton, GA) and conclude at Cobb Parkway Chevrolet, 2155 Cobb Parkway, Smyrna, GA. Our goal is to raise funds by bringing together approximately 150 Corvettes and driving through the city of Atlanta to heighten awareness for the cause.

2004 Sponsors: Cobb Parkway Chevrolet, PaceSetters Corvette Club, MTI Racing, State Representative Howard Mosby (GA District 90), Joe Debose (State Farm Insurance Agent), American Sports Car Center, Groove Camp Unlimited, Thompson's Brother BBQ, Harvey Scales, Last Detail, Enterprise Leasing, Buy-A-Vette, Auto Color, McCracken, Light Catchers, Direct TV, Kwik-Fit Tire & Service

Events at Cobb Parkway Chevrolet will include: One of the largest Corvette car shows in the Southeast; MTI Racing car clinics; breast cancer awareness groups B.O.O.B.S., Men Against Breast Cancer, Sisters by choice and Silent Alarm Breast Cancer Awareness Group, Inc. will have representatives present to speak about the seriousness and the affects of breast cancer; raffle; food; music and more.

This year, we are in partnership with the Wellness Community, (a program devoted to providing cost-free psychological support to cancer patients and their loved ones) through our association with the B.O.O.B.S. Organization. B.O.O.B.S. which stands for Bunch Of Outrageous Breast Cancer Survivors are -- and still are -- the voices of everyday, modern women struggling to survive breast cancer.

PaceSetters Corvette Club, Inc. is a non-profit organization formed to promote the general interest of the Corvette enthusiast in the Metropolitan Atlanta (GA) area. We are devoted to seeking the employment of new, innovative approaches to accomplish our organizational goals and objectives while promoting total personal enrichment of our membership and the community that we support.
