

WebCanDo completes AutoMarketMagazine.com web portal 10/1/2004.

WebCanDo.com completes the web site design of AutoMarketMagazine.com a long island based new and used auto buying guide.

([PRWEB](#)) October 6, 2004 -- WebCanDo.com was awarded the web development contract for the AutoMarketMagazine.com web portal. Auto Market Magazine is a leading automobile buying guide based in the New York suburb of Long Island. In business for over 10 years, with distribution over Nassau, Suffolk and Queens, Auto Market has the largest availability of any free auto publication on Long Island. You can find the auto guides in all major supermarkets such as Waldbaums, Pathmark, Stop & Shop and King Kullen.

WebCanDo assigned a team of developers to create a clean and easy to navigate website. The team has currently finished Phase 2, a sales intranet for the hundreds of Auto Market auto dealers in the new york area. The portal will allow for automated listing, tracking, inventory review and sales lead generation.

They provided a comprehensive solution that was competitively priced and worked within our time line, I am totally impressed with WebCanDo says Corey Franklin, President.

Based in New York, WebCanDo.com has a proven track record of providing creative designs, custom database applications, information architecture, e-marketing, software, and high availability hosting services to a wide range of industries and companies around the world.
