

MotoTech Solutions Announces 10% Discount On All First-Time Dealer Orders

MotoTech Solutions announced today they will begin offering a 10% Discount on all first-time dealer orders of PowerPegz.

([PRWEB](#)) October 6, 2004 -- MotoTech Solutions announced today they will begin offering a 10% Discount on all first-time dealer orders of PowerPegz. This discount offer will be for a limited time only. PowerPegz are a rotating off-road motorcycle footpeg that improves stability and riding performance.

"PowerPegz are beginning to gain strong acceptance and loyalty from riders.", said John Christy, MotoTech Solutions Vice President of Marketing. "We are seeing the proof begin to build and the praises are flowing in. We are confident that PowerPegz are a solid line for all off-road powersport dealers to carry, and we are willing to back that with a 10% discount on all first-time orders."

PowerPegz will be at booth #531 during the Las Vegas Dirt Expo 2004. All dealers interested in taking advantage of this limited offer are encouraged to visit and learn more about PowerPegz.

PowerPegz incorporate a unique rotating action that allows the peg to rotate forward and backward in movement with the natural motion of the rider's feet. In doing so, PowerPegz provide substantial benefits and a real competitive advantage to riders of all ages that ride or race any road trail, enduro, motocross, trials or off-road motorcycle. PowerPegz promote faster and smoother body positioning while providing constant, maximum footpeg grip and load distribution through the entire body motion range and also allows the bike to smoothly float underneath you when crossing rough ground. PowerPegz were developed using the latest technology in solid modeling with extensive finite element analysis and testing to ensure they meet stringent design requirements.

PowerPegz retail for \$139.95 (USD) and are available on the website, www.powerpegz.com, as well as with local dealers. MotoTech Solutions is a leader in innovative off-road motorcycle product design and manufacturing. MotoTech Solutions is based in El Dorado Hills, CA.
