

## **TMW Systems Named to Weatherhead 100 for 12th Straight Year**

*TMW Systems, the premier developer and integrator of enterprise management software for the transportation industry, has been selected as a Weatherhead 100 winner for the 12th consecutive year.*

Beachwood, OH ([PRWEB](#)) October 28, 2004 -- TMW Systems, the premier developer and integrator of enterprise management software for the transportation industry, has been selected as a Weatherhead 100 winner for the 12th consecutive year.

The Weatherhead 100, founded in 1987 by The Weatherhead School of Management at Case Western Reserve University, showcases the fastest-growing companies in Northeast Ohio. Qualifying companies must show consistent growth over the last five years.

The 2004 Weatherhead 100 identifies and honors the 100 fastest-growing companies based on sales from 1999 through 2003.

“It is truly an honor to be ranked among the fastest-growing companies in Northeast Ohio for more than a decade,” said Tom Weisz, president and CEO of TMW Systems. “I attribute our continued growth and success to the commitment of our people in delivering exceptional service and technology as well as the long-term partnerships we've forged with our customers.”

TMW will be honored along with the other award-winning companies at the Weatherhead 100 awards dinner on December 7.

### **About TMW Systems**

Founded in 1983, TMW Systems, Inc. is recognized as the premier developer and integrator of enterprise management software for the transportation industry. Designed by veteran trucking executives, TMW's products help transportation and logistics companies leverage the technologies of their choice to easily collect, analyze and manage information for maximizing dispatch efficiency, and for delivering improved productivity and superior customer service. Based in Beachwood, Ohio, the company currently serves more than 450 trucking industry clients of all types and sizes. TMW has strategic business alliances worldwide, including Guangdong South Satellite Telecommunications Service Co., Ltd. (SST) for the People's Republic of China, TMW International for Europe and MTP Consulting for Mexico.
