

Zencudo Launches a New Motor Advertising Section With 50,000 New and Used Cars at Its UK Shopping Search Engine

Zencudo, a UK Shopping Search Engine, has added a motor advertising section. This hosts 50,000 vehicles on launch.

([PRWEB](#)) November 7, 2004 -- Zencudo's UK Shopping Search Engine now hosts over 50,000 new and used cars.

Zencudo now advertises over 50,000 new and used vehicles at its UK Shopping Search Engine. So if you're looking for a bargain car, van, bike or caravan in the Christmas season then search Zencudo. The motoring section can be accessed from Zencudo's Home Page at www.zencudo.co.uk

If you are in the motor trade, you can benefit from unlimited vehicle advertising in this motoring section for around 65pence a day. That's right, unlimited vehicle advertising for around 65pence a day. No strings attached. No catches. For more information, you can click on the Business Advertising tab on the Zencudo site.

About Zencudo Ltd

Zencudo Ltd was formed in 2002 to build advertising technology catering for UK small to medium sized businesses. Zencudo Ltd owns a UK Ad Network. In its first month, Zencudo's UK Shopping Search Engine added one million products, bringing the total to nearly 3million, and reached 130,000 unique users.
