*Best of all, you get rid of your old car and donate it to a worthy cause. Car donations are a win-win situation for everyone involved. Countless organizations have benefited from the hundreds of dollars contributed by individuals like yourself through their car donations.*

([PRWEB](#)) November 30, 2004 -- Looking for last minute deductions and credits to have you save on your 2004 taxes? Look no further than CarDonationInfo.org. Rather than sell your old, used vehicle, consider automobile donation. The benefits of a car donation for your finances - and state of mind - are tremendous.

By donating used cars, trucks, vans or SUVs, donors become eligible for a federal tax deduction. CarDonationInfo.org has several organizations that will take care of everything for you and make the process totally painless.

"We've tried to make the process of donating a car as painless as possible," said Katie Davidson of CarDonationInfo.org. "We have several options available to our users, most of which are as easy as dialing a toll-free phone number."

To participate, donors simply visit [www.CarDonationInfo.org](http://www.CarDonationInfo.org) and select from a list of charities they'd like to support. These charities will then have the vehicles towed away, free of charge. Donors will receive all the necessary paperwork to claim their tax deduction for the fair market value of the vehicle.

Most classics and 1993 and newer cars, trucks, vans and SUVs are accepted. Some restrictions apply. For more information, visit [www.CarDonationInfo.org](http://www.CarDonationInfo.org).
