

Donate Your Car to Help Habitat for Humanity Eliminate Poverty Housing

Habitat for Humanity's Cars for Homes program is accepting car, truck, boat, RV and other vehicle donations to help build homes with low-income families in local communities and around the world.

([PRWEB](#)) December 4, 2004 -- Habitat for Humanity's Cars for Homes program is accepting car, truck, boat, RV and other vehicle donations to help build homes with low-income families in local communities and around the world.

The Cars for Homes vehicle donation process is quick, easy and efficient. Donors can initiate the process by calling the toll-free Cars for Homes telephone number, 1-877-277-HFHI (4344), or by using the www.carsforhomes.org website. Vehicle, title and contact information is collected, and upon acceptance of the vehicle, Cars for Homes staff arrange for the vehicle, keys and title to be picked up.

Donated cars, trucks, boats, motorcycles, RVs and other vehicles are processed and the funds raised help build homes in partnership with low-income families to provide them with a decent place to call home and the hope of a better life. Donors receive an acknowledgement letter for their vehicle donation they may use for tax purposes if they itemize deductions.

"The Cars for Homes program provides a great opportunity to donate a vehicle as an additional way to help families in your community who are living in substandard conditions and simply need a hand up, not a hand out," said Bruce Petersen, Habitat for Humanity Western States regional director.

For information on how you can help eliminate poverty housing and homelessness, and potentially qualify for tax benefits for your vehicle donation, call Habitat for Humanity Cars for Homes at 1-877-277-HFHI (4344) or visit www.carsforhomes.org.
