

Mobilease, Inc. Adopts a Family in Need Not Only for the Holiday Season, but for the entire year.

This December, instead of exchanging the normal inter-office Secret Santa gifts, the employees of Mobilease, Inc. made the decision to make this Christmas special for a local family who has not been able to celebrate the Holidays for the past three years.

([PRWEB](#)) December 17, 2004 -- The adopted family includes four children, ages 8-12, who share one bedroom in a tiny apartment. The family's biggest request is for a second bunk bed to ensure that each child has their own place to sleep.

Mobilease, Inc. employees will use their areas of expertise to tutor the children in their school subjects. In addition, employees will serve as big brothers and sisters so they have a mentor throughout the year.

Mobilease, Inc.'s mission statement encourages philanthropic efforts: "I will always live up to and practice these ideals. As a result, my life will be challenging, fulfilling, and rewarding to me in growth and prosperity. I will give back to my community through personal action and involvement..."

This is just one way that Mobilease, Inc. lends its support to the community. Employees are board members of the Post Oak Family YMCA and the Boy Scouts of America Sam Houston Area Council, and are active in several fund-raising events throughout the year.

Far from just an alternative financing source for consumers & commercial clients, Mobilease, Inc. is a customer oriented Vehicle & Equipment Leasing Company that cares about its customers & its community.
