

LowestCarQuote.com Receives a Refreshing Face Lift and Added Services for Car-buying Consumers

Car-buying customers can now surf away their auto buying anxieties. The new redesign of www.lowestcarquote.com offers an online, hassle-free new car quote process. The mission of LowestCarQuote.com is to save time and money with a new car quote request offering free car quote services.

Tempe, AZ (PRWEB) December 18, 2004 -- LowestCarQuote.com is for consumers who want to shop online for the lowest quote possible without spending the tedious hours of driving to each dealership within their area. "Competitive pricing and quality service is what you should expect from your new car quote service company," says CEO, Edward Valentin. "Consumers expect to be treated with respect and professionalism when purchasing their new vehicle. LowestCarQuote.com is able to provide this type of service and still make it free to customers with no obligation of purchase."

LowestCarQuote.com includes the ability to search by car make, car type, and 2005 hot new cars. This feature gives consumers flexibility in their research options, thus empowering the customer to take advantage of great automotive deals.

About LowestCarQuote.com

LowestCarQuote.com is proud to be a part of the CustomerFunding.com, Inc. network. CustomerFunding.com, Inc. was created in 1997 to fulfill an online need in the automotive industry. The president of CustomerFunding.com, Inc., recognizing this need, assembled a management staff with over 50 years of combined experience in automotive sales, finance, and management.

As a pioneer in the industry they have expanded services to include lead generation, new car quotes, and direct lending programs.
