Diamond Bar, CA ([PRWEB](http://PRWEB)) December 26, 2004 -- Have you ever wished you could find all the auto parts and accessories you need at one site and have them delivered fast? But what if your car is out of commission and you need the part tomorrow? Or what if you find what you are looking for but can't afford it? Well, then the new AutoPartsPlace.com is the site for you!

This new auto parts site offers a huge selection of OEM, aftermarket, rebuilt and used auto parts for cars ranging from Mercedes to Hondas to just about every make and model that you are looking for. With more than a million parts in stock it's easy to find what you need. Auto Parts Place also guarantees the lowest price available and fast, free shipping so that you can get those important parts right away. With free ground shipping as well as overnight and second-day shipping options, you're sure to be satisfied. Not only will you find the parts you need, but there are customer service representatives standing by to answer your questions and take orders. And best of all, most parts bought on [www.AutoPartsPlace.com](http://www.AutoPartsPlace.com) come with at least a 1-year warranty and some even come with a lifetime warranty.

"We at Auto Parts Place know the value of our customers and how important it is to meet and exceed their expectations," says Darin McOwen, President of [www.AutoPartsPlace.com](http://www.AutoPartsPlace.com). "We go that extra mile to work with the customers to help them with any problems they may have, keep all our parts in stock, answer questions and make sure they have the best parts buying experience possible. We have a great retention rate with our customers, and that's the way we like it. We're all about making the customer happy."

### **Special Introductory Offer**

For a limited time, customers placing orders over \$150 will receive a free diagnostic CD from Metacog.com. This CD was featured in the Washington Post and Popular Science Magazine and is designed to help you diagnose automotive problems. It also allows you to log all service and maintenance work done on your car. This is just another way [www.AutoPartsPlace.com](http://www.AutoPartsPlace.com) goes the extra mile for its customers.
