

NCDOT To Conduct Construction Information Meeting For US 1/64 Improvement In Cary

The North Carolina Department of Transportation (NCDOT) will conduct a Construction Information Meeting on Tuesday, January 11th at Cary High School located at 638 Walnut Street in Cary from 5:00-7:00 pm for motorists and residents interested in learning more about the US 1/64 widening project.

Raleigh, NC ([PRWEB](#)) January 9, 2005 -- The North Carolina Department of Transportation (NCDOT) will conduct a Construction Information Meeting on Tuesday, January 11th at Cary High School located at 638 Walnut Street in Cary from 5:00-7:00 pm for motorists and residents interested in learning more about the US 1/64 widening project.

The meeting agenda will include registration and review of project information, a presentation, and an open house. A Kids Fun Table with crayons and coloring books will be available, so parents may feel free to bring children with them to the meeting. NCDOT staff and members of the Design-Build team will be available to discuss design, construction phasing, answer questions, and address any concerns.

Construction is scheduled to begin on Monday, January 17, 2005. This aggressive \$58 million dollar project, awarded to Lane Construction Company, is anticipated to be completed in late 2006 and will improve US 1/64 from south of the I-40 interchange to the US 64/Tryon Road interchange.
