Denver, CO ([PRWEB](#)) January 18, 2005 -- RideOnTime.com has announced the appointment of co-founder Travis Giggy as Chief Technology Officer. RideOnTime.com aggregates ground transportation for the online travel industry. In this role, Giggy will be responsible for developing and maintaining RideOnTime.com's technology strategy and implementing such into the ongoing refinement and updating of the product to enhance travelers' experience. "Travis has overseen various aspects of our software and algorithm development since the very beginning," said Nicholas Chavez, Founder and CEO of RideOnTime.com. "It is only logical to have him oversee and direct technology strategy for RideOnTime in perpetuity."

Giggy brings more than 10 years of diverse experience in the technology field to RideOnTime.com. As an independent consultant, he completed software contracts for the creation of Internet programs used by large banks, such as Chase Manhattan, Wells Fargo, Union Bank of California and Piper Jaffrey, among others. Giggy has led several companies to business success including Carryout.com, a national online menu ordering system, where he acted as Vice President of Technology.
