

Car and Driver Radio's Alan Taylor Joins OnlineAuction.com

OnlineAuction.com is pleased to announce the appointment of Alan Taylor to the position of Marketing Director. Producer and Host of CAR and DRIVER Radio, Taylor is a featured automotive expert to millions on ABC, CBS, CNN, FOX, NBC and the SPEED Channel.

([PRWEB](#)) January 27, 2005 -- OnlineAuction.com is pleased to announce the appointment of Alan Taylor to the position of Marketing Director. Producer and Host of CAR and DRIVER Radio, Taylor is a featured automotive expert to millions on ABC, CBS, CNN, FOX, NBC and the SPEED Channel.

“I am excited about the prospects of working with Alan,” said Chris Fain, Founder and CEO of OnlineAuction.com. “Taylor’s media and marketing experience will prove invaluable to the growth of OnlineAuction.com.”

CAR and DRIVER Radio is broadcast weekly from the Museum of Television and Radio in Beverly Hills, California. Recently recognized for excellence in automotive media at the Annual International Automotive Media Awards (IAMA), CAR and DRIVER Radio took top honors in five categories--Best Feature Show, Best Car Show, Best Motorsports, Best Interview and Best Automotive News.

OnlineAuction.com is the Internet's newest online auction site. Specializing in person to person, business to person and business to business online auctions. The site is feature rich, easy, fun and safe with no listing or final value fees. OnlineAuction.com offers five different auction formats, website posting, unlimited listings, automatic re-list and competitive bidding--all for the low membership fee of \$8 a month--no listing fees and no final value fees. Each registered user also receives their own private O-mail account as well as an auction manager to help manage all of their auction business.
