

Auto Insurance Planners Provides Body Shop Database

Auto Insurance Planners offers a convenient and helpful way to locate any automobile body shop in the country.

([PRWEB](#)) January 26, 2005 -- Auto Insurance Planners, an [auto insurance](#) information hub, offers a free directory of body shops across the United States while providing instant car insurance quotes and other useful [auto insurance](#) information to consumers.

Users can easily find numerous auto body shops located near them using [Auto Insurance Planners](#)'s automobile body shop locator at www.AutoInsurancePlanners.com. The name of the body shop, address, and phone number are listed in the company's automobile body shop database. Consumers may search by state or city to find the contact information of the nearest body shop.

"We are pleased to be able to bring such a valuable tool to our site visitors," said Sean Denny, founder of Auto Insurance Planners. "Now, in addition to free [auto insurance quotes](#), tips on auto safety, driving tips, and state by state car insurance information, we are providing our users a free directory where they can locate all of the auto body shops in their local area."

Other than the auto body shop locator, Auto Insurance Planners also provides instant car insurance quotes from the leading [auto insurance providers](#), such as Amica, Liberty Mutual, and GMAC Insurance. Helpful tips such as how to prevent auto theft and how to save money on insurance for teenage drivers as well as information that assists consumers in better understanding the [auto insurance industry](#) can also be found at www.AutoInsurancePlanners.com

Using the auto body shop locator makes searching for a body shop simple and quick. To search for body shops with the body shop locator, receive free and instant auto insurance quotes, or to view free articles on car insurance, visit www.AutoInsurancePlanners.com.
