

Standing Ovations LLC Rolls Out A New Service

Segway® Service Offers Fun, Freedom and Entertainment

([PRWEB](#)) January 28, 2005 -- Oct. 1, 2004 Phoenix based Standing Ovations LLC brought the mobile fun of a Segway® human transporter to the public and corporate arena. The high-tech, self balancing scooter offers entertainment and increased mobility for corporate and private events, meetings, tours and transportation.

The Segway HT, a two wheeled self balancing human transporter made by Segway LLC, seems to move almost intuitively and travels up to 12 miles per hour. The unique experience works well as an ice breaker, team builder or entertainer.

“We are very excited to be the first and only Segway® service of its` kind in the Valley. There are so many applications that the Segways can be used for and we are dedicated to bringing the technology to the area. People are having so much fun whether on a guided tour, at a party or corporate event.” Said owner Drew Madigan.

“The Segway® Human Transporter (HT) is the first of its kind self-balancing personal transportation designed to go anywhere you want to go. It gives you the ability to move faster and carry more, so you can commute, shop, and run errands more efficiently while also adding a little fun to your day. It's compact, yet powerful and rechargeable from any wall outlet. The Segway HT will change the way you think about travel.” Segway LLC.

Standing Ovations LLC offers its` services to resorts, casinos, corporate events, private parties, charity events, medical industry, corporate meetings, sightseeing tours and demo`s. Standing Ovations LLC can be reached by phone at 602.679.2234 or you can stop by the Desert Ridge Mall in the evenings and learn more about Standing Ovations.
