

The BumperBib - Here We Grow Again!

BumperBib Inc has secured Larger Office/Warehouse Facilities in Chatsworth, California. In addition, BumperBib Inc. has added two new sales agencies, and has commenced production in Vietnam.

([PRWEB](#)) February 2, 2005 -- BumperBib Inc. is growing again exponentially. BumperBib Inc. has signed a lease agreement for the property located at 9409 Lurline Ave. in Chatsworth, California. The additional space has allowed us to double the size of our operations and has afforded us to carry up to 40,000 units in stock. BumperBib Inc. will move its offices on February 15, 2005.

BumperBib Inc. is also proud to announce adding two new Sales Agencies to our team. Trilogy Sales Group will represent the BumperBib product line in the Country of Canada. Marketing Solutions Group LLC has expanded domestic sales by extending product reach into 8 additional states.

BumperBib Inc. is also looking to expand distribution and is currently talking to distributors in Australia. BumperBib Inc is also currently looking to add distribution in Europe, and Japan.

CEO, Eric N. Stevens, has returned from Vietnam after negotiating terms with two factories for production of the BumperBib. The first container will be received in Chatsworth, California on April 20th. Working with Vietnam will allow BumperBib to compliment its current production capabilities and maintain current fill rates above 95%.

CEO Eric N. Stevens stated, "We are growing. We are forging into new markets, receiving new orders, and growing responsibly. I feel the most exciting feedback I receive is from our customers, they are happy with the product and word of mouth is spreading. We have meetings set up with quite a few retailers in the next 60 days. This is definitely getting exciting."

BumperBib Inc., is proud to increase exposure for the four state of the art sized BumperBibs that consumers have demanded to keep their clothes clean and nicks off their back bumper. BumperBib is a new, state of the art product that leaves the mass retailers wanting more. The product is a high quality accessory that attaches simply to the inside trunk of any car and rolls over the back bumper. It's easy, simple and reaches all Demographics of customers "Moms with Kids, All Family and Active Males. Best part, when you're done, you roll up the bib and it takes up very little space in your trunk.

Bumperbib Inc. was established in 2003 as a company dedicated to bringing their invention to the Automotive Aftermarket Parts Marketplace. Patent pending Invention, the Bumperbib is the product of efforts by inventor, Eric Stevens to invent a product aimed at protecting the rear bumper and the owners' clothes when loading/unloading their Automobile or SUV.
