Miami, FL ([PRWEB](#)) February 14, 2005 -- Baron's listing is under Schedule 48 Transportation. Delivery and Relocation Services' SIN 451-3 for Local Courier Delivery Services for Same Day delivery of extremely urgent letters, small packages, and heavyweight shipments.

Baron has been servicing the South Florida market since 1981 and maintains an excellent reputation and consistently high on-time performance levels. Owned and operated as a woman owned business by Lori Baron, the addition of a GSA listing on the new Local Courier heading means new and exciting opportunities in the government arena.

Point of Contact and General Manager, Bruce Satter, who spearheaded the GSA process back in mid 2004 attained the prestigious listing on January 3rd, 2005, and has already won a local government contract in South Florida.

Larry Schwartz, partner of Lori Baron, who has recently been named the recipient of the Mercury Award for significant contributions in the industry at Courier Magazines' annual convention, says of Baron Messenger's GSA award, "We are very honored to have attained such an important status and plan to put the necessary resources into our new Government Division, in order to make it a highly successful sector."

Baron Messenger's GSA Award in the Tri-County area of South Florida is only the second transportation company in the country to be listed on the prestigious government program under Schedule 48, for Local Courier Delivery. Their award is for a 5-year period with 3 five-year options.
