

Psi-fleet.com - Your Affordable Solution to the Day-to-Day Challenges of Fleet Management and Control

Psi-Fleet is releasing a full featured 30 day demo to all interested purchasers. It's your affordable solution to the day-to-day challenges of fleet management and control.

([PRWEB](#)) February 13, 2005 -- Psi-Fleet is releasing a full featured 30 day demo to all interested purchasers. See for yourself how we can make a difference in your operation. Increase profits and better serve your customers. Best of all, once the software is purchased, you do not need to enter the same information again. This is time saving and will make you efficient immediately.

Put more control into your operation and easily track all the aspects of your rental operation. For some clients, the ability to track transactions has paid for their investment in a matter of weeks! The use of PSI software will allow you to quickly run reports and save your valuable time. Eliminate those extra hours at the office late at night and on weekends. Most of our clients will pay for the program in 90 days!

Send us an email at sales@psi-fleet.com , a little about your company and we will take care of the rest. If you rent something other than cars and trucks, contact us and we'll discuss your needs in detail to make sure our software will work for you. PSI provides complete user training, full unlimited telephone support with our service contract and custom printing for your contract.

Make the decision today!
