

## Monster Trucks Rallies and Shows are as BIG as Ever

*Monster Truck shows are growing every year, find the latest monster truck history and background online.*

([PRWEB](#)) February 14, 2005 -- With the continued grow of monster truck shows and rallies, find what you need to know about monster trucking history online.

The very first monster truck was BigFoot. Bigfoot was born in St. Louis in 1974, and still is the best known monster truck. The first monster-truck show was held in 1984, and today there are dozens of monster truck show circuits. In the US alone, there are over 200 monster trucks.

Â Monsters run on alcohol-based fuel instead of gasoline,Â says editor John Taylor, and they burn several gallons in only a four-second run.Â Monster truck tires cost over \$3,000 each and crews can spend over 40 hours per tire filling them up!
