

Stuf Products' Corvette Cover Featured on Vette Magazine

Stuf Products' Corvette is the cover story for the August issue of Vette Magazine.

Pasadena, CA ([PRWEB](#)) June 8, 2005 -- With story by Drew Hardin and photography by Wes Allison the Stuf Products' Corvette is the cover story for the August issue of Vette Magazine.

"It looks and reads great. We simply couldn't be happier." says Vette owner Dean Fueroghne. "Lesley's dad will be so proud." he jokes.

Inside readers will find the story entitled, "The Right Stuf" detailing all the modifications and tasty touches to this C5. With 4 full-color pages of exterior and under the hood shots, we hope the readers will find our Vette as fun to look at as it is to drive.

The Stuf Vette will be on display at events throughout 2005, including the SEMA Show in the Stuf Products' booth #20019. Then again, you could just see her rolling around L.A. on any given day.

Made by fanatics, for fanatics, the Stuf product line is produced in limited quantities. The Stuf line includes: Shine Stuf- 100% Carnauba wax, Polish Stuf- pure polishing compound with no wax or silicone, Clean Stuf- wash concentrate, Dressing Stuf- rubber/vinyl dressing, Clay Stuf- clay bar and Final Stuf- spray detailer. And every item is personally signed because they're proud of what they make. Besides, it's kinda cool. Stuf is sold through Stuf's web site (www.stufproducts.com) and select specialty shops.
