

## **C.H. Robinson Selects Four Soft Freight Management System For European Operations**

*C.H. Robinson Worldwide Inc. (NASDAQ: CHRW), one of North America's largest third-party logistics companies, has selected Four Soft's eTrans product suite as the platform to build their European freight forwarding service business.*

India, Mumbai ([PRWEB](#)) February 19, 2005 -- Four Soft Limited (4S) (NSE: "FOURSOFT" BSE: 532521), a leading software solutions provider of Transportation, Logistics and Supply-chain management to large enterprises announced that C.H. Robinson Worldwide Inc. (NASDAQ: CHRW), one of North America's largest third-party logistics companies, has selected its eTrans product suite as the platform to build their European freight forwarding service business.

C.H. Robinson will use e-trans as a foundation to co-develop and implement a World class Freight solution, which will be implemented in all the C.H. Robinson offices in Europe and will also be integrated with other C.H. Robinson systems.

"We chose Four Soft based on its proven state of the art technology, superior functionality, and Four Soft's commitment to work with us to achieve our vision to build Global Freight Forwarding processes on a single platform. We were looking for an integrated multi modal transportation Operating system to handle our International freight operations for all offices in Europe, and Four Soft provided not only a cost effective solution, but the best portfolio of products supported by technological advancement. We look forward to the partnership," said Mr. Justin Anthony, Director IT of C.H. Robinson Europe.

"We are excited to be working with C.H. Robinson, which is one of the World's premier transportation and logistics service provide. Their selection of Four Soft solutions to support their best services confirms our belief that many other companies will follow for Four Soft in Europe," said Mr. Gert Pijnappel, VP of Four Soft, Europe.
