

SEPI Engineering Group Names Environmental Division Manager

Sepi Asefnia, President of SEPI Engineering Group, has announced that Phillip C. Todd has joined the firm as Environmental Division Manager.

Raleigh, NC ([PRWEB](#)) February 19, 2005 -- Sepi Asefnia, President of SEPI Engineering Group, has announced that Phillip C. Todd has joined the firm as Environmental Division Manager. Todd obtained his Bachelor of Science Degree in Biology and a Masters Degree in Public Administration, both from North Carolina State University. Prior to joining the firm, he managed all natural resources projects for the National Environmental Policy Compliance and Clean Water Act permitting work for the North Carolina Department of Transportation. His previous work experience includes positions as Permits Specialist, Mitigation Specialist and Lead Specialist working on permitting and impact issues related to wetlands, streams, natural resources, and federal protected species.

“Phillip’s expertise and experience with environmental engineering issues is a great match for us and we are delighted to have someone with his superior skills and talents on board at SEPI Engineering Group to ensure that our valued clients’ needs are met,” said Asefnia.

About SEPI Engineering Group:
