

Sepi Asefnia Named Women Extraordinaire By Business Leader Magazine

Sepi Asefnia, President of SEPI Engineering Group, has been named one of Business Leader Magazine's Top Ten Women Extraordinaire.

Raleigh, NC ([PRWEB](#)) December 11, 2005 -- Sepi Asefnia, President of SEPI Engineering Group, has been named one of Business Leader Magazine's Top Ten Women Extraordinaire. Those selected as Women Extraordinaire are recognized for being leaders, innovators, problem solvers and inspirations to their colleagues. These women serve the community by making a difference for a worthy cause or by providing leadership, direction or support to a service-based professional, civic or charitable organization. Asefnia received the award at a luncheon on Dec. 8 at 11:45 a.m. at the Carolina Country Club.

"I am honored to be named one of Business Leader Magazine's Women Extraordinaire," said Asefnia. "To realize you can affect others and make a difference in the world is an honor in itself, and I am humbled to be in the company of so many amazing women."

About Sepi Asefnia:

Sepi S. Asefnia is Founder and President of SEPI Engineering Group, which provides transportation engineering and planning services to private and public sector clients across the southeast. Asefnia is a member of several local groups such as the Raleigh Chamber of Commerce Board of Directors, the Cary Chamber of Commerce, the Cardinal Club, and the Regional Transportation Alliance. Asefnia is also a member of national organizations such as the National Association of Women Business Owners (NAWBO), National Society of Professional Engineers (NSPE), and the Women Presidents' Organization (WPO). Asefnia has been featured in national publications such as Entrepreneur Magazine, and received several awards such as the North Carolina WTS Chapter "Employer of the Year" award, the YWCA 2004 Academy of Women Awards – Science & Technology, and the 2004 Triangle Business Journal - "Top 25 Women Business Owners in the Triangle."

About SEPI Engineering Group:
