

Bluemotorcycle Launches Free Business Classifieds

Looking for business opportunities, products or services? Check out Bluemotorcycle Free Classifieds. Have a business product or service to sell? Try Bluemotorcycle Free Classifieds.

([PRWEB](#)) February 19, 2005 -- Launched today by Bluemotorcycle Consulting (<http://www.bluemotorcycle.com>), the leading provider of business web hosting and communications services, Bluemotorcycle Free Classifieds (<http://classifieds.bluemotorcycle.com>) encompasses listings for B2B business services, products and opportunities. Free-of-charge for users, Bluemotorcycle Free Classifieds is a nationwide web-based classifieds service.

"Bluemotorcycle committed to developing services that bring significant value and return on investment to our partners, and clients nationwide," said Larry Allhands, senior vice president of business operations at Bluemotorcycle. "Through superior support and simple design, Bluemotorcycle's many innovative services connect businesses to the information super highway enhancing their presence in the e-marketplace. As with our other free communication services such as our business message board (<http://forum.bluemotorcycle.com>), the classifieds offer our community of business users an easy way to connect with each other on a local and national level. We feel that this is a vital service that, when combined with our flagship Internet services, will have a positive impact on those businesses that take advantage of it."

Through Bluemotorcycle Free Classifieds, individuals and companies are able to submit their listings within the different categories to buy, sell or find various items and services.

About Bluemotorcycle Consulting

Bluemotorcycle Consulting is a leading nationwide provider of business Internet services. The company offers web hosting, domain registration, e-commerce services, web site design, and technology business consulting to small and medium-sized businesses and home (SOHO) users.
