

Commercial Texas Represents Ace Southwest in the Lease of 30,000 Square Feet

Commercial Texas announces representing Ace Southwest / Atlas Van Lines, a leading moving and storage company, in the lease of new warehouse space. The 30,000 square feet of warehouse space is located at Lincoln Vista Business Park in Austin, Texas. The company required additional space in the region to support the increasing demand for its moving and storage services.

([PRWEB](#)) March 11, 2005 -- Commercial Texas announces representing Ace Southwest / Atlas Van Lines, a leading moving and storage company, in the lease of new warehouse space. The 30,000 square feet of warehouse space is located at Lincoln Vista Business Park in Austin, Texas. The company required additional space in the region to support the increasing demand for its moving and storage services.

“Commercial Texas worked with us to identify locations and terms that suited our company’s warehouse needs in the region,” stated Greg Kaminski, operations manager, Ace Southwest. “Their guidance enabled us to create a long-term solution for our continued expansion.”

Daniel Farrar and Dan Meyer of Commercial Texas represented Ace Southwest and John Baird with Lincoln Property represented the landlord.

About Commercial Texas

Based in Austin, Commercial Texas is a leading commercial real estate services firm dedicated to providing clients with experienced and strategic real estate guidance. Commercial Texas’s brokerage team is comprised of experienced professionals who specialize in creating real estate strategies for leading corporations in Central Texas. With a business’s operating space constituting the largest, controllable fixed expense it faces, the firm’s professionals undertake analysis of both the market and an organization’s dynamics to optimize the return on investment.
