

LimoFinder.Biz Launches Online Canadian Limousine Directory

LimoFinder.Biz, the #1 Vertical Limousine Portal launches its Online Canadian Limousine Directory.

New York, NY ([PRWEB](http://www.prweb.com)) March 11, 2005 -- LimoFinder.Biz (<http://www.limofinder.biz>) launches its Online Canadian Limousine Directory (<http://www.limofinder.biz/canada>). It is a comprehensive Directory that aims to include every Limousine Company in Canada. Businesses, Sports Teams, Celebrities, Brides and Grooms will find it a valuable resource to locate any Limousine Company in Canada. In addition, Limousine companies will find it to be a valuable source for sales leads as they may purchase Advertisement space.

It is the goal of LimoFinder.Biz to catalog all Limousine Companies worldwide. This catalog is now available to the public as a resource. By this effort, LimoFinder.Biz aims to become the central hub for all Internet Limousine queries.

Unlike most Limousine Portals that charge for a listing, LimoFinder.Biz lists all Limousine Companies for free. Limousine Companies who wish to stand out may purchase Advertisement space or Featured Listing status for a fee. This policy makes LimoFinder.Biz the most comprehensive Portal of its kind.

Additionally, LimoFinder.Biz enables visitors to receive Limousine quotes in seconds via its Limousine Quote application (http://www.limofinder.biz/limousine_quote.php). This enables users to obtain quotes from multiple competing Limousine companies instantly. Indeed, this service will empower users with the ability to choose based on both value and service.

Since many Limousine Companies still lack a website, LimoFinder.Biz in partnership with Webshell Networks Corp. (<http://www.webshell.net>) offers Hosting, and Web Design services. Included with this package is a unique online reservation system at no additional cost.

LimoFinder.Biz Canada can be found on <http://www.limofinder.biz/canada> and the Limousine Quote application can be found on http://www.limofinder.biz/limousine_quote.php.

LimoFinder.Biz is part of the Abedi Consulting Network of Web Companies that includes RegisterGator.Com (<http://www.registergator.com>), The-Domain-Reseller.Com (<http://www.the-domain-reseller.com>), FindNewYork.Com, (<http://www.findnewyork.com>), FindToronto.Com (<http://www.findtoronto.com>), UzbekAir.Com (<http://www.uzbekair.com>), HappyMessage.Com (<http://www.happymessage.com>) and Cheap-DomainName-Registration.Com (<http://www.cheap-domainname-registration.com>).
