

Rainmagic To Introduce Windshield Washer Fluid

Rainmagic Introduces Windshield Washer Fluid For Big Rig Trucks

([PRWEB](#)) March 15, 2005 -- The company that introduced Pyrocoat R to the NHRA & IHRA has developed Rainmagic windshield washer fluid. RainMagic windshield washer formula is environmentally safe water based hydrophobic solution that's easily used. Just pour directly in washer system no mixing no fuss. Instantly applies rainmagic windshield treatment. For use on cars, heavy and light trucks for visibility through rain, sleet, and snow.

It reduces friction and prohibits bug residue from adhering to surfaces. RainMagic disperses water by encouraging rain drop consolidation. Contains no harmful solvents non-flammable. Rainmagic windshield washer fluid will be available in June at Rainmagic dealers and distributors and auto parts stores and truck stops.

Rainmagic has passed G.E. lexan test for use on Lexan (used in Harley-Davidson, Gold Wing and Ducati windshields) and is recommended by G.E. plastics.

Rainmagic products available exclusively at Hondadirectline, Wingstuff, CycleGiant, Barrett Windows LLC. BirdRoad Honda and better motorcycle shops everywhere. Dealers & Distributors welcome

RainMagic windshield washer formula will sell for 3.99 Gal + s&h
