

No Matter What the Mission - Humvee® Adventure Tool

Humvee introduces the 7 in 1 Adventure Tool designed to tackle anything from the rugged trails of Yosemite to the urban sprawl of New York City.

Los Angeles, CA ([PRWEB](#)) March 18, 2005 -- Whether hiking the trails of Yosemite or navigating through urban gridlock; the unique and multifunctional design of the HUMVEE Adventure Tool enables you to tackle any task at hand.

The HUMVEE Adventure Tool has 7 functions to handle the most demanding environments. The Adventure Tool's primary feature is a super bright LED flashlight. Capable of lighting up the engine bay of a small car or the depths of a dark cave, this high powered LED light will last up to 10,000 hours.

The Adventure Tool's dry storage compartment is ideal for matches, medicine and any other survival device requiring a waterproof space. The liquid filled floating dial compass and liquid filled thermometer not only ensure you know where you are going but what elements lie ahead.

A truly unique feature of the Adventure Tool is the safety whistle and safety mirror. The easy access of both the whistle and mirror allows you to signal for help no matter what the situation. The Adventure Tool also comes equipped with a detachable magnifying glass at its center. The Adventure Tool also has a break away neck cord so you can wear it around your neck on your next adventure. The HUMVEE Adventure Tool is suitable for all ages. \$9.95 MSRP.

About CampCo Incorporated

About HUMVEE

Headquartered in South Bend, Indiana, AM General first introduced the HUMVEE in 1985 in response to an American military need to replace its aging fleet of trucks with a single platform that could serve a number of combat functions. After an exhaustive assessment process, AM General's design was selected and the HUMVEE became the workhorse of the United States Armed Forces. Since its inception, AM General has delivered more than 175,000 HUMVEEs to American military units, as well as more than 40 friendly overseas nations. HUMVEE is a registered trademark of AM General LLC, and is used under license from AM General LLC.
