

The Woodyard Trader Report Says Tenneco Automotive Inc. Shares Poised to Gain

June 2004 Listings Show Over A 86% Success Rate

Dallas / Fort Worth (PRWEB) April 6, 2005 -- RD Woodyard Inc. announced today that shares of Tenneco Automotive Inc.(TEN) are indicated "UP" in the most recent Woodyard Trader Report. RD Woodyard's exclusive PriceSelector program today listed Tenneco Automotive Inc.(TEN) as well as Financial Select Sector SPDR Fund (XLF) as having met all the criteria that indicate an imminent price reversal may be at hand. The complete list of stocks named in today's report can be found at www.rdwoodyard.com/apr0505.htm.

"The PriceSelector program analyzes data over a period of time to identify stocks that are about to change direction," says David Woodyard, Founder and President of RD Woodyard Inc. "A more detailed description of that process can be found at www.rdwoodyard.com. And the historical rate of success has been amazing. This is the fifth and final daily report we are making available to the general public. The complete lists of stocks from the previous publicized reports can be found at:

We invite traders to track the success of our listings."

That success can be measured by looking at the recent performance of The Woodyard Trader Reports. Over 86% of all stocks listed in June 2004 were shown to be called correctly as of September 30, 2004. The detail of the stocks from June 2004 reports can be found at www.rdwoodyard.com/trader_reports/four/06-01-2004_to_09-30-2004.htm.

"That's an almost unbelievable rate of accuracy, and in line with the performance we've seen month after month," says Woodyard. "While we can't guarantee that shares of Tenneco Automotive Inc. or others listed in our reports will rise in the near future, the performance of previous listings suggests these are stocks not to be ignored. We always encourage traders to be prudent and to do their homework."

RD Woodyard Inc. prepares reports designed to narrow the field from thousands of investment options to just the few worthy of investment consideration. The Woodyard Trader Report is a daily listing of stocks that show the signs of an imminent price reversal. The Woodyard Stock Report is a weekly listing of stocks geared to long-term investors. Both reports are available to individuals and businesses by subscription only.
