([PRWEB](#)) April 16, 2005 -- Sr22 shop has announced that they now have the capability to issue California sr22 filings on the same day that the sr22 filing is issued. President and CEO Frank McKenna California insurance license broker #0213417 announced at the principals luncheon today that the final phase of training and implementation of electronic same day sr22 filing was completed. The SR22 shop was established in the year 2002 to compare sr22 filing rates online with dozens of competing sr22 companies.

An SR-22 Filing is a form issued by an sr22insurance company, which removes a suspension order placed by the DMV on your driving privilege. The sr22 filing provides a guarantee to the California Department of Motor Vehicles that an sr22 insurance company has issued at least minimum sr22 liability coverage for the person making that sr22 filing; and - that the sr22 insurance company will notify the DMV should the sr22 insurance ever lapse for any reason. <http://sr22.name>
