All proceeds from this show benefit the Alzheimer's Association, Delaware Valley chapter. The deadline for pre-registration is May 12, 2005.

([PRWEB](#)) April 28, 2005 -- Corvettes for a Cure show organizers are proud to announce that pre-registration has begun for the 2nd Annual Corvettes for a Cure show being held on June 12, 2005 in Phoenixville, PA. All proceeds from this show benefit the Alzheimer's Association, Delaware Valley chapter. Participants that pre-register by May 12, 2005 will receive an event T-Shirt.

"The first Corvettes for a Cure, last year, was so successful that we decided to make it an annual event," said Adam Wartell, President of Vette Registries, LLC and founder of Corvettes for a Cure. "We had over 40 Corvettes in attendance last year and raised close to \$1000 for the charity. We are hoping to double the number of Corvettes in attendance this year which should also double the amount of money raised for the Alzheimer's Association."

Participants that register by the pre-registration deadline are guaranteed to receive an event T-Shirt. Registration cost is \$25 prior to the show date and \$30 day-of-show. There will be participant judging with winners in classes: C1, C2, C3, C4, C5 & C6. Plus a Best of Show winner. All winners will receive trophies. There will be door prizes plus a 50/50 drawing. The show will be located at K-Mart at 1000 Nutt Rd, Phoenixville, PA, rain or shine from 10am to 4pm with registration and set up starting at 8am.

Registration and updated show information can be found on the show's website:
