

Las Vegas Based eBizAutos Records 15.6 Million Page Views in April

Rapidly growing eBizAutos recorded 15.6 million page views and 3 million unique visitors in April for dealers using the eBizAutos system. The Las Vegas based automotive marketing firm has also recorded a total of 300 million page views for dealers using the eBizAutos system since January 2003. With 12,000 dealer auctions monthly, eBizAutos now ranks as the largest independent automotive marketing solution provider to the world's #1 automotive Web site, eBay Motors.

Las Vegas, NV ([PRWEB](http://prweb.com)) May 6, 2005 -- Las Vegas based eBizAutos (www.ebizautos.com) hits another milestone in announcing 15.6 million page views and 3 million unique visitors recorded in April for dealers using the eBizAutos system. Dealers using the eBizAutos system have received a total of 300 million page views since January 2003.

eBizAutos noted its 250,000th vehicle auction launched to eBay Motors in April 2005 (<http://newspad.prweb.com/>). With 12,000 dealer auctions monthly, eBizAutos ranks as the largest independent automotive marketing solution provider to eBay Motors.

According to Nielsen/Netratings, eBay Motors is ranked the world's # 1 automotive Web site, garnering 12 million unique visitors every month. Thirty-six percent of all online automotive minutes are being spent on eBay Motors (Source: ITFACTS.com).

Founded in 2001, eBizAutos has doubled in size for each of the two last years. A privately held Nevada corporation currently serving over 1,000 independent and franchise dealers nationally, eBizAutos offers a single service to control the dealer's entire inventory marketing system including: Web site management, automotive advertising, lead management, data collection, and window sticker service.

Gaudin Jaguar Porsche Aston Martin says, "Since using the eBizAutos system our sales have shot through the roof. We are receiving more leads and sales from the eBizAutos system than all other forms of our internet advertising combined."
