

Lowbid.com Offers Free Real Estate and Automobile Ads to the Public

Lowbid.com is designed to help you sell and advertise your home, car, or truck to a local and national audience with no out of pocket expense.

([PRWEB](#)) May 8, 2005 -- Lowbid.com today announced that they are offering Free Real Estate and Automobile ads to individuals and businesses. Lowbid.com is designed to help you sell your Homes and Autos to a local and national audience. Their Real Estate and Automobile Sections rivals larger websites that offers the same great service, feature, and quality that they do, and in many cases, Lowbid.com exceeds them.

Lowbid.com is allowing Free Listings to give its users an opportunity to Sell their Homes and Autos without having to pay high fees. You can benefit from our Website whether you are an individual or business, this site is for you. The site also gives you a chance to feature anyone of your ad that you choose. Our Featured Ads gives you exposure on the Homepage and Category you choose. Lowbid promises that this is not a limited time offer; our Free Listings are here to stay. Lowbid.com also offers other Free Listings such as Free Classified and Want Ads. Our Free Classifieds gives you the same great features we offer throughout the site. Soon we are adding Personals and Employment sections to rival the larger sites.

Why Lowbid.com? Lowbid.com is for anyone who is tired of paying high fees to sell their homes, cars, or trucks. While their Service is Free, this by no means diminishes the quality you will get. We offer tons of features, and like we mentioned earlier lowbid.com matches the bigger sites in quality step by step and allows this at no cost to you, FREE.

About Lowbid.com

We are a Houston Based Online company that allows its customers to buy and sell homes and cars using our Real Estate and Autos listings, but we also provides Free Classified, Yellow Pages, and Personals to Individuals and Businesses alike.
