

## **Motor City Auto Auction to Hold Charity Classic Car Show to Benefit Karmanos Children's Cancer and Breast Cancer Research**

*Motor City Auto Auction hosts this great event on behalf of the Barbara Ann Karmanos Cancer Institute scheduled for Sunday May 15, 2005.*

Fraser, MI ([PRWEB](#)) May 12, 2005 -- Motor City Auto Auction hosts a fun filled day for adults and children of all ages. The show will feature hundreds and hundreds of classic cars, kids play area, rides, food, dash plaques, cruiser trophies, judging and fun for the whole family. To add to the excitement we will have great oldies playing at this event. Rock'n Ronnie will spin oldies throughout the day. It is a party your friends and family will enjoy. The show will kick off at 10 a.m. and conclude with a trophy ceremony at 4 p.m. Enjoy a fun filled day event for a cause worth supporting. Motor City Auto Auction's Ron Zontini, remarks "We hope that you will join us in our fight and take action to eradicate cancer. We're looking forward to a wonderful event filled with classic cars and great fun for the kids and families while raising much needed funds for children's cancer and breast cancer research."

Motor City Auto Auction is one of the largest auto auctions open to the public. It offers customer care and quality behind every transaction. Being able to purchase a clean and dependable car, truck, SUV or even van for a great price is the driving force behind Motor City Auto Auction's success.

About Barbara Ann Karmanos Cancer Institute: This National Cancer Institute designation as a Comprehensive Cancer Center allows us to bring state-of-the-art-science research and treatments to the young and old. In addition to the vast array of cancers we research and treat, the Institute provides bone marrow and stem cell transplant services for both adults and children. In addition, the institute and its physician scientists are engaged in pediatric cancer research initiatives including clinical trials

Motor City Auto Auction is dedicated to help raise funds specifically designated to the breast and Children's Cancer Research Funds here at the Barbara Ann Karmanos Cancer Institute. We hope that you will encourage these endeavors and help us reach our goal to eradicate cancer.
